## 1. Validity

- 1.1 The Isimat-TM shall apply to deliveries of machines, spare parts and services, (collectively "**Delivery**"), which Isimat GmbH Siebdruckmaschinen ("**Isimat**") provides on the basis of a contract concluded between Isimat and a business customer ("**Customer**"). The Customer and Isimat collectively are hereinafter referred to as "**Parties**" or individually as "**Party**".
- 1.2 Deviating terms from the Isimat-TM shall not apply unless Isimat has expressly agreed to them in writing.
- 1.3 The Isimat-TM shall apply in the context of a continuous business relationship also for future business between Isimat and the Customer, even if, in individual cases, Isimat did not expressly refer to the inclusion of the Isimat-TM at the time of conclusion of the contract.
- 1.4 Amendments to the contract shall be made in writing.

## 2. Offer

- 2.1 The description of the quality of the Delivery is exclusively and conclusively defined in the respective Technical Specification ("**TS**").
- 2.2 Isimat reserves all rights of ownership and copyright of documents included in the offer - irrespective of the data carrier (e.g. illustrations, drawings, plans, construction documents etc.).
- 2.3 A pre-contractual performance during the offer stage that Isimat provides on request of the Customer (e.g. stamping dies, support fixtures etc.) shall be invoiced by Isimat, even where no contract is subsequently entered into by the Parties.
- 2.4 The offer of Isimat is binding for a period of 90 calendar days from the date of the offer.

## 3. Terms of Delivery, Transfer of Risk

- 3.1 Delivery shall be EXW (EX WORKS) Isimat Incoterms® 2010 ("**Place of Delivery**").
- 3.2 Prices are net prices in EUR (euro), including the necessary packaging plus additional cost for packaging on request of the Customer and plus the current value added tax (VAT) in force at the time of delivery without further deductions.
- 3.3 For a Delivery less than EUR 500.00 net price, Isimat charges a minimum quantity surcharge in the amount of EUR 30.00.
- 3.4 Partial delivery is allowed unless it is unreasonable to accept for the Customer.
- 3.5 The transfer of risk to the Customer shall take place at the time Isimat provides the Delivery at the Place of Delivery. This shall also apply to free delivery as well as to delivery that will be dispatched or collected on the request of the Customer. In case the Delivery will be dispatched the Customer shall bear the costs incurred thereby (e.g. transport, insurance, customs).

#### **4. Reservation of Self-Delivery**

In the event that the Delivery is not available because Isimat has not received deliveries from its own suppliers or the delivery stock of Isimat is depleted, Isimat is entitled to make a Delivery which is equivalent in quality and price to the contractually agreed Delivery. If this is not possible, Isimat may rescind the contract.

#### **5. Terms of Payment, Setoff, Right of Retention**

- 5.1 Unless otherwise agreed, the invoice of Isimat is due for immediate payment without any deduction.
- 5.2 Insofar as the contract contains no information on the terms of payment, the following shall apply: 1/3 down payment upon receipt of the order confirmation, 1/3 as soon as the Customer is informed that the Delivery is ready for dispatch, the remaining amount after receipt of the Delivery and invoice. Invoices for spare parts shall be payable in full upon receipt by the Customer.
- 5.3 The Customer can only set off a counterclaim against a claim of Isimat or exercise the right of retention if its counterclaim is undisputed or confirmed by a final and unappealable judgment. In case of Material Defects (8.1) or Defects in Title (9.1) of the Delivery, the counterclaim of the Customer shall remain unaffected in accordance with 8.12.
- 5.4 If the Customer is in default of payment, suspension of payment, opening or applying for bankruptcy, insolvency or composition proceedings or rejection of such due to non-existing assets, protest of a bill, valuation of the Customer with a high business risk by a recognized information or rating agency, or in the event of comparable sustainable reasons which suggest the Customer's insolvency, Isimat is entitled to demand immediate payment of all claims which are not yet due. In addition, Isimat is entitled to make each Delivery subject to an advance payment.

#### **6. Delivery Period**

- 6.1 Observance of the agreed delivery period is conditional on the timely receipt of complete documents, necessary permits and approvals, especially of plans to be provided by the Customer as well as fulfillment of the agreed terms of payment and other obligations by the Customer (e.g. advance payment, partial payment). In case these conditions are not fulfilled on time, the delivery period shall be extended accordingly; this shall not apply if Isimat is solely responsible for the delayed Delivery.
- 6.2 If non-observance of the delivery period is due to events such as natural disasters, mobilization, war, terrorist acts, computer virus and further attacks by third parties on the IT-system of Isimat despite compliance of Isimat with the safety precautions of the usual security measures, riot, strike, lock-out, impediments resulting from German, US-American and other applicable national, European or international foreign trade laws, breakdowns in production or other plant interruptions, traffic problems or other comparable circumstances for which Isimat is not responsible ("**Force Majeure**"), the delivery period of Isimat shall be extended reasonably. Should any event of Force Majeure last for a period of more than 60 calendar days, the Customer or Isimat shall be entitled to rescind the contract in whole or in part. In such case no Party shall have a right to seek damages against the other Party. This shall also apply if any event of Force Majeure occurs at the time when Isimat is in delay with the Delivery.
- 6.3 In the event that Isimat is responsible for a delayed Delivery and provided that the Customer can credibly establish that a damage for such delay has occurred, the Customer may seek liquidated damages of 0.5 % for every completed calendar week of delay but in no event shall the aggregate of such damages exceed a total of 5 % of the net price for that part of the delayed Delivery which due to the delay could not be put to the intended use by the Customer. The obligation to pay the liquidated damages requires proof by the Customer that any damage has occurred, but not of its amount. Isimat shall be entitled to provide evidence that the Customer suffered lower or no damage.
- 6.4 Further claims and remedies of the Customer due to the delayed Delivery in particular indirect or consequential damages, loss of profit or loss of production are excluded. This shall not apply in case of liability of Isimat based on intent, gross negligence or due to loss of life, bodily injury or damage to health.
- 6.5 Claims for damages due to the delayed Delivery by the Customer as well as claims for damages instead of performance or reimbursement which exceed the limits specified in 6.3 shall be excluded, even after expiry of the delivery period for the Delivery set by the Customer.
- 6.6 The Customer shall only be entitled to rescind the contract provided that Isimat is solely liable for the delayed Delivery and after reaching the maximum amount of compensation in 6.3 and the Customer has set an adequate delivery period to Isimat within Isimat has to supply the Delivery and such delivery period has expired. A change in the burden of proof to the detriment of the Customer shall not be implied hereby.
- 6.7 At the request of Isimat the Customer shall declare within a reasonable period whether the Customer will rescind the contract due to the delayed Delivery or insist on the Delivery.

## 7. Retention of Title

- 7.1 The Delivery shall remain the property of Isimat until each and every claim against the Customer to which Isimat is entitled under its business relationship has been duly satisfied ("**Secured Goods**"). The Customer shall not damage, modify, remove, or make illegible any number, sign, nameplate, company and/or brand name or other marking affixed by Isimat. If the value of all the security rights of Isimat against the Customer exceeds the value of the secured claims by more than 10 %, Isimat shall release a corresponding part of the security rights at the request of the Customer. Isimat shall have the right to choose which of the security rights shall be released.
- 7.2 The retention of title shall continue even if parts of claims of Isimat are included in current invoices and the balance has been drawn and accepted, unless the balance is settled.
- 7.3 For the duration of the retention of title, the Customer is prohibited from giving the Secured Goods in pledge or transferring the Secured Goods as security. In case of a seizure of the Secured Goods or other acts or interventions by any third party relating to the Secured Goods, the Customer shall immediately inform Isimat thereof in writing. If legitimate interest has been substantiated by Isimat, the Customer shall give Isimat the information necessary to assert the rights towards such third party and the Customer shall hand over the necessary documents to Isimat.
- 7.4 The resale of the Secured Goods by the Customer to its client in the ordinary course of business shall only be permissible on conditions that the Customer receives payment from its client or retains title so that the property in the Secured Goods is transferred to its client only after fulfillment of the client's obligation to pay the Customer.
- 7.5 Should the Customer resell Secured Goods, the Customer assigns to Isimat herewith the claims (including VAT) the Customer will have against his clients out of the resale, including any collateral rights and all balance claims, as security, without any further special declarations being necessary by Isimat. If the Secured Goods are sold together with other items and no individual price has been agreed with respect to the Secured Goods, the Customer shall assign to Isimat such proportionate fraction of the total price as is attributable to the price of the Secured Goods invoiced by Isimat. Isimat herewith accepts such assignment. The duty of Isimat to release security rights shall remain unaffected.
- 7.6 If the Customer has sold its monetary claim as part of genuine factoring, then the claims of Isimat become due immediately and the Customer assigns to Isimat the claims that replaced the sold monetary claim against the factor and forwards his sales proceeds to Isimat without delay. Isimat herewith accepts such assignment.
- 7.7 In the event that the Customer is in breach of an obligation, in particular, a default of payment, Isimat is entitled to rescind the contract and to take back the Secured Goods, after the expiration of a reasonable time limit within which the Customer shall rectify the breach. The Customer is obliged to return the Secured Goods to Isimat. The legal provisions which dispense of the requirement to set a deadline in case of a serious and/or final refusal of performance shall remain unaffected.
- 7.8 In the event that the Customer is in breach of an obligation, in particular, a default of payment, the enforcement of retention of title and the taking back of the Secured Goods associated therewith does not require a rescission of the contract by Isimat. The aforementioned actions or seizure of the Secured Goods shall not constitute a rescission of the contract by Isimat, unless expressly stated by Isimat.
- 7.9 The Customer shall be allowed to process, transform, restructure and combine ("**Processing**" or "**processed**") the Secured Goods with other products. The Processing shall be done for Isimat. The Customer shall hold the new product resulting from this Processing for Isimat with the due care of a diligent businessman. The new product shall be considered as Secured Goods.
- 7.10 The Parties are in agreement that in case the Secured Goods are processed with other goods which do not belong to Isimat, Isimat shall have co-ownership of the new product in proportion resulting from the ratio of the value of the processed Secured Goods subject to the value of the new product at the time of Processing. The new product shall be considered as Secured Goods.
- 7.11 The assignment of claims provision shall also apply to the new product. Such assignment is valid only up to the amount that equals the amount invoiced by Isimat for the processed Secured Goods.
- 7.12 The Customer shall be entitled to collect any outstanding receivables from the resale of Secured Goods until revocation by Isimat. In the event of an important reason, in particular delay in payment, suspension of payment, opening or applying for bankruptcy, insolvency or composition proceedings or rejection of such due to non-existing assets, protest of a bill, valuation of the Customer with a high business risk by a recognized information or rating agency, or in the event of comparable sustainable reasons which suggest the Customer's insolvency, Isimat shall be entitled to revoke the Customer's right to collect receivables for Secured Goods. In addition, upon prior warning that the assignment by way of security will be disclosed or that the assigned receivables will be utilized, and observing a reasonable period of time, Isimat may disclose the assignment by way of security, utilize the assigned receivables and demand that the Customer discloses the assignment by way of security to its clients. The duty of Isimat to release security rights shall remain unaffected.

## 8. Warranty for Material Defects

- 8.1 In case a Delivery does not match with the quality of the respective TS at the time of transfer of risk ("**Material Defect**"), at its discretion Isimat shall within the statute of limitations either repair free of charge or provide replacement free of charge ("**Supplementary Performance**").
- 8.2 The quality of the Delivery is defined conclusively in the respective TS. Isimat shall not be liable for a Material Defect relating to qualities and characteristics not specifically mentioned in the TS. It is the sole liability of the Customer to examine the suitability of the Delivery for the intended use. In case the Customer requests additional tests which were not included in the respective TS, these shall be agreed separately in writing and paid by the Customer.
- 8.3 Claims for Material Defect of the Customer against Isimat are subject to a statute of limitations of 12 months upon Delivery or, as far as the Parties have agreed in the contract, after acceptance. In case of a delayed Delivery or acceptance by the Customer due to reasons Isimat is not responsible for, the statute of limitations shall expire 18 months after the receipt by the Customer of the notification of the readiness for dispatch of the Delivery at the latest. This shall not apply in case of liability based on intent, gross negligence or due to loss of life, bodily injury or damage to health or fraudulent concealment of a Material Defect or non-compliance with guaranteed characteristics. The statutory provisions on suspension and commencement of limitation period shall remain unaffected.
- 8.4 No further period of limitation begins with the Supplementary Performance by Isimat.
- 8.5 The Customer shall give a written notice of Material Defect to Isimat immediately. The notice of Material Defect shall include information relating to the data of the respective Delivery (e.g. offer, delivery note, invoice, blanking plate: batch number, bar code).
- 8.6 Insofar as the Customer grants Isimat no opportunity for Supplementary Performance within a reasonable period of time, Isimat is exempted from liability for Material Defect.
- 8.7 In the event that Supplementary Performance fails, the Customer shall be entitled to rescind the contract or to reduce the respective price of the Delivery.
- 8.8 There shall be no claim for Material Defect by the Customer in cases of an insignificant deviation from the agreed quality, negligible impairment of usability, natural wear and tear or damages which arose after transfer of risk as a result of faulty or negligent handling, excessive strain, unsuitable production facilities or operating resources, or particular external influences which were not specified in the contract, or unsuitable foundation, as well as for not reproducible software defects. If the Customer or third parties make improper modifications or repair work on the Delivery, there are also no claims for defects in respect of these and the resulting consequences.
- 8.9 The Customer shall have no claim with respect to expenses incurred in the cause of Supplementary Performance, especially transport, road, labor and material costs, to the extent that expenses were increased because the Delivery was subsequently brought to another location than the Place of Delivery.
- 8.10 Claims for damages due to a Material Defect are conclusively regulated in 10.
- 8.11 Any further claims or claims other than those stipulated in 8. or 10. of the Customer against Isimat due to a Material Defect shall be excluded. The right of the Customer to rescind the contract shall remain unaffected.
- 8.12 In the case of a notice of Material Defect, the Customer may withhold payments to an amount that is in a reasonable proportion to the Material Defect. The Customer, however, may withhold payments only in case of a notice of Material Defect which meets the requirements of 8.5. The Customer has no right to withhold payments to the extent that its claim for Material Defect is time-barred. Any unjustified notice of Material Defect shall entitle Isimat to demand reimbursement of its expenses by the Customer.
- 8.13 Insofar as the Delivery comprise software, the Customer shall be granted a non-exclusive right to use the respective software including its documentation for the use of the Delivery.
- 8.14 The Customer may only copy, edit or translate the software or convert its object code to source code to the extent as stipulated in §§ 69(a) et seqq. of the German Copyright Act. The Customer shall neither remove the manufacturer's details, in particular, copyright note, nor shall the Customer change them without explicit prior written approval of Isimat.
- 8.15 All other rights concerning the software and its documentation including copies thereof shall remain with Isimat. Sublicensing by the Customer shall not be permissible.

## **9. Warranty for Defects in Title**

- 9.1 Unless otherwise agreed, Isimat shall provide the Delivery free from industrial property rights, copyrights of third parties and/or any other third party right ("**Third Party Right**") with respect to the country at the Place of Delivery. If a third party asserts justified claims against the Customer due to an infringement of a Third Party Right by a Delivery which was used in conformity with the contract ("**Defect in Title**"), Isimat shall be liable to the Customer, within the stipulated limitation period in 8.3, as follows.
- 9.2 In the case of a liability according to 9.1, Isimat shall at its option and free of charge for the Customer either obtain a right to use the Delivery, modify the Delivery so as not to infringe the Third Party Right or replace the Delivery. If this is not possible for Isimat at reasonable conditions, the Customer shall have the right to rescind the contract or reduce the price. The provisions in 8.6 shall apply accordingly.
- 9.3 The fulfillment of the obligations in 9.2 shall be subject to the condition that the Customer immediately notifies Isimat in writing of the claims asserted by the third party, that it does not acknowledge an infringement and that the protective measures and settlement negotiations are exclusively reserved for Isimat. If the Customer ceases to use the Delivery to reduce the damage or for other important reasons, the Customer shall make it clear to the third party that the suspended use does not mean acknowledgment of an infringement of a Third Party Right.
- 9.4 Claims of the Customer shall be excluded if the Customer is liable for the infringement of the Third Party Right.
- 9.5 Claims of the Customer shall also be excluded if the infringement of the Third Party Right was caused by specific demands of the Customer, by use of the Delivery not foreseeable by Isimat or the Delivery being altered by the Customer or being used together with products not provided by Isimat.
- 9.6 In addition, the provisions of 8. shall apply accordingly to a Defect in Title.
- 9.7 Claims for damages due to a Defect in Title are conclusively regulated in 10.
- 9.8 Any further claims or claims other than those stipulated in 9. or 10. of the Customer against Isimat due to a Defect in Title shall be excluded. The right of the Customer to rescind the contract shall remain unaffected.

## **10. Other Liability, Damages**

- 10.1 Unless otherwise specified in the Isimat-TM, including the following provisions, Isimat shall be liable in case of a breach of contractual and non-contractual obligations in accordance with the statutory provisions.
- 10.2 Isimat provides application guidelines and other advices to the best of its knowledge and therefore does not constitute any liability for damages by the Customer against Isimat. The Customer shall not be released from its obligation to examine the intended use of the Delivery at its sole responsibility. This shall also apply if the Customer's intended use of the Delivery is known to Isimat.
- 10.3 Isimat is liable for damages, irrespective of the legal basis:
- in case of intent or gross negligence,
  - in case of culpable loss of life, bodily injury or damage to health,
  - in the event of non-compliance with guaranteed characteristics,
  - in case of fraudulent concealment of a Material Defect or Defect in Title,
  - in case of a claim of the Customer under the applicable mandatory product liability regulations (e.g. the German Product Liability Act) or
  - for damages resulting from the culpable breach of a material contractual obligation (The fulfillment of which is the only way to ensure that the contract is properly implemented and that the other Party is allowed to rely on regularly.). In case of breach of a material contractual obligation by negligence other than gross negligence, the liability is limited to the replacement of the foreseeable, typically occurring damage.
- 10.4 In any other case the Customer shall have no claim for damages against Isimat.
- 10.5 The liability limitations resulting from 10. shall also apply in the case of a breach of an obligation by or in favor of persons whose fault is attributable to Isimat (e.g. personal liability of employees, personnel and other vicarious agents of Isimat), but not to the personal liability of legal representatives and of executives.
- 10.6 A claim for damages according to 10., which is based on Material Defect or Defect in Title, shall be time-barred in 12 months from Delivery, unless there is a liability according to 10.3.
- 10.7 A change in the burden of proof to the detriment of the Customer shall not be implied hereby.

## **11. Impossibility of Performance, Contract Adjustment**

11.1 In case the supply of the Delivery is impossible, the Customer shall have the right to claim damages unless Isimat is not responsible for the impossibility. The right of the Customer to claim for loss or damages shall be limited to 10 % of the net price of that part of the Delivery which due to the impossibility cannot be put to the intended use by the Customer. This limitation shall not apply in case of liability based on intent, gross negligence or due to loss of life, bodily injury or damage to health. A change in the burden of proof to the detriment of the Customer shall not be implied hereby. The right of the Customer to rescind the contract shall remain unaffected.

11.2 The contract shall be reasonably adjusted in compliance with the principle of good faith where incidents of Force Majeure substantially change the commercial importance or the content of the Delivery or have a material adverse effect on the business of Isimat. Where this adjustment is not economically justifiable, Isimat shall have the right to rescind the contract. Isimat shall inform the Customer of the exercising of the rescission of the contract without delay upon awareness of the consequences of the incident, even if initially an extension to the delivery period had been agreed with the Customer.

## **12. Supply of the Customer**

12.1 The Customer shall incur liability for the transfer to and the use by Isimat of the supply of the Customer agreed in the contract ("**Supply**") – irrespective of the data carrier - which infringes a Third Party Right. The Customer shall immediately indemnify and hold harmless Isimat from any corresponding claims of such third party.

12.2 The Customer shall deliver his Supply to the Place of Delivery at his expense. The costs of storage, maintenance, repair and disposal for his Supply shall be borne by the Customer.

## **13. Confidentiality**

13.1 Each Party shall not without the prior written consent of the other Party pass to third parties information, knowledge, templates, including such documents as illustrations, drawings, plans, construction documents ("**Information**") received from the other Party. This shall not apply to Information which at the time of receipt are generally known or were already known by the receiving Party without being obliged to maintain confidentiality or were transferred by a third party lawfully in possession thereof and who has the lawful power to disclose such Information or were independently developed by the receiving Party without using any Information of the disclosing Party. Information shall be returned by the receiving Party without delay if a contract is not awarded. A right of retention by the receiving Party is excluded.

13.2 A third party within the meaning of 13.1 shall not be deemed to be a company affiliated with Isimat as well as a person or company entrusted with the task of performance of the contract by Isimat insofar as they have been obliged to keep confidential in an equivalent manner.

13.3 Neither Party shall use the Information received from the other Party for purposes over and beyond the scope of the contract between the Parties without the express prior written consent of the other Party.

13.4 The obligation of confidentiality shall begin upon receipt of the Information and ends 5 years after the end of the business relationship.

## **14. Assignment**

The assignment of a claim or of a right under the contract is permitted only with the prior written consent of the other Party. This shall not apply to a monetary claim.

## **15. Corporate Social Responsibility**

15.1 As a member of the KURZ-Group, Isimat is committed to respect and to observe the KURZ Code of Business Conduct.

15.2 The Customer confirms to observe the applicable law and legislation; the Customer shall not tolerate any kind of corruption or bribe, respect basic rights and the ban on child labor and forced labor. Furthermore the Customer shall take responsibility for the health and safety of its employees, shall ensure a fair compensation and reasonable working hours, shall act in accordance with the applicable environmental laws and shall use its best efforts to promote the observance of these principles among its suppliers.

## **16. Applicable Law**

The substantive law of the Federal Republic of Germany shall apply exclusively. The United Nations Convention on Contracts for the International Sale of Goods of 11 April 1980 shall be excluded.

## **17. Jurisdiction**

The exclusive place of jurisdiction is Ellwangen, Germany.
